This bibliography of material relating to Filipinos in Hawai'i is the first in a series of bibliographies on the major ethnic groups that constitute the people of Hawai'i. These titles are available in the Hawai'i and Pacific Section of the Hawai'i State Library, 478 S. King Street, Honolulu, Hawai'i 96813.

A note on the usage of the 'okina (glottal stop): The 'okina is not used consistently in publications, and therefore the titles listed reflect the actual spellings used in the book titles. This is why Hawai'i is sometimes written Hawaii, sometimes Hawai'i.
